

Tent Events

Our specialists have over 15 years experience in the event planning industry. Occasions to Celebrate works hands on with their clients as well as networking with other specialists in the events field to ensure total client satisfaction and event success.

Custom Designed Theme Décor

"From Set Up to Clean Up"

Allow us to take the stress of entertaining off of you so you can enjoy the party!!!

COMPANY PROFILE

Occasions to Celebrate is a full service event management company. We have assembled a staff of trained specialists that work together on each event. We are enthusiastic, experienced, and resourceful professionals who create just the right event for you or your organization. Our policy of step-by-step planning, combined with on-site management, and knowledge in many areas of design is further evidence of the care we take in tackling each project.

We are a full service florist that specializes in event design and décor. We have simplified the event planning process by offering a wide variety of resources with the ease of one stop shopping. OTC can provide everything from your invitations, tuxedos, décor, and equipment rentals, as well as taking care of the set up and tear down of your event.

In operation for over 15 years, Occasions to Celebrate has coordinated many successful events and we are well connected with this areas event facilities and professionals.

EVENT PLANNING

Occasions to Celebrate offers total event management. We can guide you through the step-by-step process of your event. We coordinate with caterers, facilities, and make entertainment arrangements. We handle all event décor to include balloons, flowers and customized theme props, event rentals, invitations, and tuxedos. During our free consultation, we will offer suggestions and layout tips to help turn your visions into reality.

Weddings, corporate gatherings, themed events... whatever the reason... We can create an event that won't soon be forgotten.

Elegant Weddings

It is our mission to provide our clients with the best possible service available. To never sacrifice quality for quantity.

Not every individual or organization has the time to undertake the many challenges involved in planning and executing a successful event.

For Occasions To Celebrate, These Challenges Are Our Only Business!

Bridal Flowers

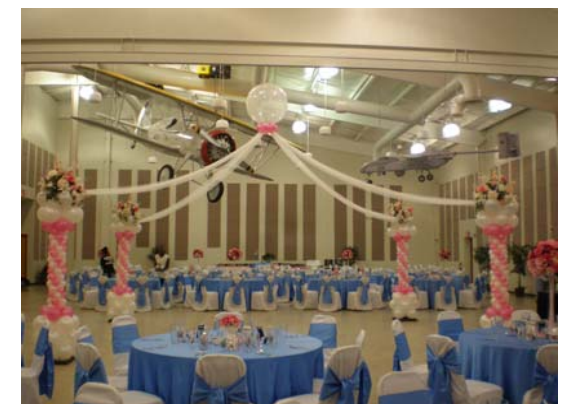

FABULOUS FLORALS

High Style Centerpieces

You know you have reached success in your event decor when you have created a feeling within your guests that corresponds with your theme. We will help you to achieve that feeling by creating atmosphere.

By using props, balloons, fresh/silk flowers, etc...we turn drab into fab with event designs that are sure to leave your event the talk of the town.
